Christmas decorations were used for the dining room and tables. The guests were Mrs. F. D. Henderson, Mrs. E. S. Harrington, Mrs. J. Blaikie, Mrs. J. N. Catto, Mrs. J. At this meeting plans were made to have a Xmas program for the children of the members and Brother K. of P. S. on the evening of December 22 at Bickner Hall.

The St. Johns Study Club met in the library on Wednesday afternoon. In the absence of the president, Mrs. R. G. Brand, the vice president, Mrs. A. E. Jones, presided. Mrs. J. M. Shaw reported that the committee appointed had purchased and presented to the foreign class of James John high school a woolen flag 2 feet by 3 feet for which they were grateful and to which they responded with a salute to the flag. It was also reported that a letter had been written to Judge Ekwall recommending heavy penalty for speed maniacs and reckless drivers of automobiles. Mrs. G. E. Schlessor read Edison Marshall's prize story, "The Heart of Little Shikara," which the club very much enjoyed. Refreshments and visiting concluded the afternoon.

Mrs. S. E. Cook, who with her sister, Mrs. Frank Holdman of Pendleton, Oregon, have made an extended tour of the middle west and south, arrived home on Saturday evening. Mrs. Cook left St. Johns in September and after a two weeks' visit with her sister visited relatives and friends in Kansas, Illinois, Missouri, Iowa, Texas and California. During their trip they visited over 75 relatives, many of whom they had not seen for 35 and 40 years. Both are glad to return to Oregon and content to remain residents of this state, although they have visited many beautiful places on their trip. None, they say, can compare with Oregon—not even our neighbor state, California. Out of nearly three weeks spent in that sunny clime, they had one day in which the sun shone for a little while in the afternoon which only emphasizes the fact that Oregon isn't the only state in the Union where the weather does not always behave when we have company. Mrs. Holdman returned to Pendleton this afternoon.

The Sitton Parent Teachers Association will meet on Thursday, Dec. 21st, instead of Monday, Dec. 18th. Meeting will begin at 1 p. m.

That our efforts are not misapplied in giving a little touch of cheer occasionally to the foreigner within our gates is evinced by the following letter written by one of the pupils of the foreign class of James John night high school of which Mrs. R. G. Brand is teacher. Mrs. Brand requested her pupils to write his impression of the entertainment which Mrs. J. M. Shaw gave them on Friday evening at the Y. W. C. A. building and this letter was written by a lady who came here from Scotland seven years ago and is endeavoring to better her knowledge of our ways and language by attending the school.

"MY IMPRESSION"
I spent a most enjoyable evening. Mrs. Shaw is a gracious hostess and knows how to give that feeling of welcome to make you feel at home.

Mr. and Mrs. Goff entertained us to some fine singing, Mr. Goff taking the humorous side. Joan at the piano was very good. The time passed all too quickly with pleasant talk, and when seated round the table with doughnuts and coffee were more like a large family than a mixture of nationalities.

Presenting the flags was very interesting, as our aim is to be good citizens to take our parts in defending it.
Another oasis in the desert.
